Albertine is uber excited to announce our participation in the...

## **Wines of Germany's Global 31 Days of Riesling Festival**

---

Throughout the month of July we'll be getting to know our Alsations from our Australians and our Pfaffenbergs from our Eisenbergs.

For 31 Riesling-centric days we will be hosting and promoting events and dishes celebrating the wealth of a grape enjoying a recent return to fashion.

Our programme will give you the opportunity to get to know this multifaceted grape, with all her characteristics, intricacies and foibles  
**...and maybe even to fall in love a little...**

---

**So 'kommen sie' over to try:**

- 20+ guest Rieslings by the glass/bottle
- suggested Riesling flights in our restaurant
- Weekly wine and bar food pairings
- Guest sommelier with James Timothy on July 6th from 19:00

---
